# HOLD THREE IN MURDER

CONTINUE POLICE PROBE OF THE TRAGEDY

## INQUEST IN THE MORNING

Coroner's Jury to Fix Blame For Howard P. Patterson's Death at 9 a. m. Thursday

Howard P. Patterson, 30 years old, alias Kid Allen, a concession man at the fair grounds, was found dead about midnight at the Central High School grounds with two .38 revolver wounds through his head. Ruby Blackford, 24 ,and Earl Rogers, 25, both of St. Joseph, also conected with concessions at the fair, are being held pending investigation. They were arrested at 7:30 this morning at the fair grounds by Sheriff Dowden after an investigation. Papers in the pocket of the dead man showed his home to be at Glasgow, Mo.

A concession man is also being held, Deputy Sheriff Gabe Purcell picking him up at the fair grounds this morning. Mr. Purcell heard this man and Patterson quarrelling last evening at the grounds and told him to move on. Sheriff Dowden was unable to give his name. This man said he knew nothing about the case.

The Blackford woman was taken to the Price & McNeal undertaking establishment this morning and after viewing the remains, stated to the police that she had never seen the dead man before. Rogers also professed that he was unacquainted with the man.

According to the information received by the police, Patterson and the Blackford woman had been seen together often at the fair grounds and other concession people at the grounds said that the dead man appeared to have a fear of a woman.

At the I. V. A. hotel where Patterson was staying while heer, it was said that he came to Maryville a week ago Saturday and remained over Sunday, when he returned to Malvern, Iowa. He came back to Maryville last Sunday night, depositing about $100 in bils with the clerk. While about the hotel he never spoke of his business or the woman, it is said, and appeared quiet.

During the investigation today Alfred P. Gsell, band leader, told the police that last Monday night while at the Fair, a man answering the description of Patterson approached him and in a confused and excited tone said, "She's the meanest woman in the world; I know she will try to kill me." Gsell stated that he had paid no attention to the man and that the latter went away.

The county authorities are of the opinion that Patterson was murdered and dismissed the suicide theory on account of the position of the two shot wounds and the fact that the gun was lying near his neck.

The murder took place about midnight last night and J. W. Smith, who, it is said, is a detective from Burlington Junction, had his attention attracted to the high school grounds by groans. He had Ed Wallace, who was passing the school grounds, go with him and investigate. Patterson was dead at the time Wallace arrived on the scene and at once communicated with Sheriff Dowden and Prosecuting Attorney McCaffrey. The dead man's body was brought to the McNeal & Price undertaking parlors.

The body was found about four feet north of the embankment at the school grounds on the north side.

Mrs. J. W. Nichols who with her husband has a concession at the fair, identified the man as Kid Allen,running a candy concession at the fair, and had seen him yesterday with a bob-hair girl. From letters and telegrams found on the dead man, it was discovered his name was Howard Patterson, and he had a brother-in-law by the name of Dr. Temple, living at Glasgow, Mo. Dr. Temple was communicated with at once and will arrive in the city today.

Patterson had been staying at the I. V. A. hotel on the south side of the square. Last night about 11 o'clock he checked his grip at the hotel and said he was going back to the fair grounds.

S. D. Williams, who had a doll rack and perfume stand at the fair grounds, said he brought the girl, Ruby Blackford, and Jack Roberts, who it is thought is Earl Rogers, to the Moose Cafe about midnight last night. They had supper there and it is said the girl appeared to be very much excited and agitated and before finishing her supper, went to her room over the cafe and got her belongings and left in a car with Roberts or Rogers. Roberts had been staying at the Ernest Reese home on Depot street and took the Blackford girl there, where they stayed the rest of the night.

In questioning Ruby Blackford this morning, Prosecuting Attorney McCaffrey was unable to get any facts. She denied having the gun, denied ever seeing Allen, and said in tears she never saw the gun and did know Patterson. She was taken to the undertaking parlors and again said that she never saw him before. She appeared to be well collected and not very much excited.

Information had been secured by the county authorities that a girl with bob-hair had a gun yesterday and the Blackford girl was seen to have a gun of the description of the gun found near Patterson's body. She was identified this morning as the person having the gun yesterday, while another concession man at the fair said she was not the girl who had the gun.

It is said the father of the girl used to work in a blacksmith shop in Maryville a number of years.

Prosecuting Attorney McCaffrey received word this morning that the girl was well known in St. Joseph and had a police record in that city.

The girl and Earl Rogers will be held by the county authorities pending an investigation, and it is thought that the city authorities will prefer charges against them on a charge of adultery.

Patterson had $33 in his pockets. It is said that he had quite a roll of bills.

Coroner Frank C. Wallis said that the inquest would be held tomorrow morning at 9 o'clock. The people being held will be detained until after the inquest.

It is said that Patterson had served a term in the federal penitentiary at Leavenworth on a charge of white slavery.

The county authorities were still at sea this afternoon on the case and practically had no positive evidence as to who the party or parties are that committed the crime.

Since the tragedy, Mayor W. O. Garrett has commenced a clean-up campaign at the fair grounds and in the city of ridding the city of undesirable characters.

# GOOD RACE CARD FIRST BIG DAY

RACES ARE FAST FOR SLOW TRACK AND LATE START

## ROBERT CONNER HONORED

Tanner Miller, Conner's Favorite Pacemaker, Takes First in 2:15 Pace—Free Attractions Please

Only a small crowd, due to the inclemency of the weather ,saw the afternoon races and free attractions yesterday afternoon. Of the free attractions the Flying Wards seemed to be the best liked, although Margaret Hill's Society Circus is a great attraction. The Bassitt & Bailey act is a stellar attraction in every way. The free attractions this year met with great approval and are the best seen here in years.

Immediately preceding the races James H. Stokes, presiding judge and starter, asked everyone to arise and remain standing for one minute in honor of the beloved departed horseman, Robert Connor of Maitland, who died a few weeks ago. Mr. Stokes paid a great tribute to Robert Conner, saying that one of the best known and truest sportsmen of the race track followers in this part of the country had been lost in the person of the deceased.

Four races were run yesterday afternoon on a slow track. The races were not called until after 3 o'clock because of the condition of the track, and it was 7 o'clock before they were concluded. Everything considered the races yesterday were good and with the track worked up in fine condition for today some good time on the track is certain.

The first event on the speed card was a 2:15 pace, with five starters, which were: Harry E, owned by G. Neff and driven by him; Shadyline, owned by W. G. Sears and driven by Jackson; Tannermiller, owned by L. M. Miller and driven by Hocker; Dan Gentry, owned by F. S. Diser and driven by Brown; and Jessie Direct, owned by G. E. Linder and driven by Irvin. Tannermiller, after a bad start in the first two heats took the last three heats and the race. Harry E took one first and four seconds and second money. Jessie Direct took a first, a second and three thirds and third money. Shadyline was withdrawn after the first heat and Dan Gentry was flagged out the first heat. The time of the heats were: 2:17¼; 2:18; 2:18¼; 2:19; 2:20.

The second event and the first running race was a five-eighths mile dash. Good Enough, owned by F. M. McClain and ridden by Whittington, took first; Satsuma Belle, owned by F. Stites and ridden by Cummins; Crucible, owned by G. Neff and ridden by J. Reese; Unconcern, owned by D. Brandt and ridden by O'Brien; and Joe Nugent, owned by J. Hubbard and ridden by Wheatly, finishing in order. The time was 1:03½.

The third number on the race card was a three-fourths mile dash. Gordon Roberts, M. Goodpasture (Cummins); Adeline L, G. Neff (J. Reese); Hattie Will Do, F. McClain (Whittington); Watch-Your-Step, D. Brandt (O'Brien; and Shrewsbury, J. Bracken (Wheaton), finished in order named. The time was 1:17, which was good time for a slow track.

The last running race of the afternoon was a one-half mile dash. Jack Hayes, the much- touted fast horse, finished first ahead of the field, with Lady Hester, F. McClain (Whittington); Joe Morris, G. Neff (J. Reese); and Barney McCoy, P. Wilson (Wilson), taking places in order named. Jack Hays is the property of L. Lierson, and has for a rider Mazou.

The officials for yesterday's races were: James H. Stokes, presiding judge and starter; L. E. Carpenter, associate judge; F. A. Ramey, associate judge; and W. G. Sawyers, Arthur McKnight and G. E. Etschman, timers.

Last night's feature event was the five-gait saddle horse judging event, which took place directly before the grand stand. A field of six horses were entered and for an hour and a half were exhibited before Judge Haney. The final awards were made as follows: Marion Bleese, owned by J. H. Topp of St. Joseph, first; Golden Curr, Dr. W. A. Stiner, St. Louis, second; Major Wing, Dr. W. A. Stiner, St. Louis, third.

Following the horse judging event, the big audience was entertained by Margaret Hill's Society Circus and the Flying Wards.

Judge Haney estimated that 1,500 people attended the Fair yesterday afternoon, while the gate showed 2,000 people on the grounds during the evening. Judge Haney stated that he was very well pleased with the interest which the Fair is attracting this year. "We have had the best opening crowds this year since the Fair has been put on here," he said, "and indications are that the show this year is to surpass all previous ones."

**FARMER UNABLE TO HELP HIS BOYS**

**Kettner Was So Rundown He Couldn't Work—Gains 28 Pounds on Tanlac.**

"You can't blame me for talking so much about Tanlac, for it has not only added twenty-eight pounds to my weight, but has completely overcome my troubles," said O. A. Kettner, a well known and prosperous farmer who lives on Route No. 1, Downs, Ill., the other day.

"I just thought I was doomed to suffer the rest of my days," continued Mr. Kettner, "and I guess that would have been the case if I had not gotten hold of this Tanlac. You see, I had been in bad health for about twelve years, and I failed completely to find anything that would do me any good. My stomach was in such bad condition that I would just suffer agonies every time I ate anything. My food would sour on my stomach and I would be all bloated up with gas for hours at a time, My kidneys were out of order all the time, too, and I would have the worst sort of pains in the small of my back. Then rheumatism struck me, and from that time on I had all the suffering that was coming to me. Why, I got so bad off that I couldn't even help the boys do little jobs around the place. I just went from bad to worse, and I finally made up my mind that I would have to give up trying to run my farm.

"Well, I heard about this Tanlac then, and I bought a couple of bottles, and began taking it. Now, the first two bottles didn't seem to do me any good at all, and I was about ready to drop Tanlac, but I figured that my case was one of long standing, and that I hadn't given the medicine a good showing so I bought one more bottle. That third bottle hit the spot, and in little or no time I was picking up right along and from that time on I improved as fast as any man you ever saw and I am as hale and hearty as I ever was in my life. I never have a sign of rheumatism now, and my kidneys seem to be in first class condition. I don't believe I ever had a better appetite, and I get away with three square meals every day, and I am never bothered with indigestion or any other kind of stomach troubles now. I can now get out in the field and do as much work in a day as any man on my farm. Yes sir, Tanlac was a God-send to me, and I just feel like I want the whole world to know about this wonderful medicine."

"Tanlac is sold in Maryville by Koch Pharmacy, in Conception Junction by A. M. Colly, in Pickering by H. M. Lincoln, in Burlington Junction by Carter Pharmacy, in Barnard by Bear Drug Co., in Elmo by King Drug Co., in Clearmont by Dr. W. H. Wiley, in Ravenwood by C. A. Shunk, in Arkoe by Rufus R. Smith, and in Hopkins by Hopkins Drug Co."

**Where Can I Find Relief From Itching, Terrifying Eczema?**

**Question on Lips of Afflicted.**

There is a harrassing discomfort caused by Eczema that almost becomes a torture. The itching is almost unbearable, and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only allay the pain temporarily. The disease can only be reached by going deep down to its source, which is in the blood, the disease being caused by an infection which breaks out through the skin. That is why the most satisfactory treatment for all so-called skin diseases is S. S. S., which acts by cleansing the blood. Get a bottle to-day, and you will see results from the right treatment. **Communication.**

Editor Democrat-Forum:

Dear Sir—I wish to correct the impression you left in yesterday's issue of the Democrat-Forum that the State Democratic Committee had called a state primary election to vote upon the League of Nations, Saturday, August 30. If you will read the resolutions adopted by the committee, also Senator James A. Reed's letter challenging the authority of the state committee to speak for the Democratic voters of the state, you will find that the resolution provides that in case the friends of Senator Reed do not believe that the action of the state committee in endorsing the League of Nations and President Woodrow Wilson was representative of the majority of the Democratic voters of the state, they could call a primary election, through the regular committee of the party, and if the action of the state committee was repudiated by a majority of the counties and precincts in the state then the committee would call a convention of the entire state to let the people speak for themselves.

There will no primary election nor state convention unless the followers of Senator Reed call one.

Yours truly,
J. J. HEIFNER.

P. S.—The final vote stood on the resolution 30 for to 1 against and 1 passed. Mr. O'Malley sitting on a proxy of Tom Pendergrast of Kansas City, voted No. Joe Shannon, another committeeman from Kansas City, passed. Every congressional district in the state voted unanimously for it except the Fifth, which includes Kansas City and Jackson county, and the vote of this district stoodl against and 1 passed.

**IS CENSUS SUPERVISOR**

**Joshua A. Graham of St. Joseph Will Have Charge of Census In This District**

Joshua A. Graham of St. Joseph was appointed census supervisor for the Fourth congressional district. The appointment was made through the recommendation of Congressman Booher.

The work of enumerating the names will begin the first week in January, and is expected to require fifteen or twenty days. Everything will be in readiness and the force will be lined up so that when the time arrives for securing and compiling names the actual work may be completed promptly. Graham will have charge of the six counties in the Fourth district. His remuneration for the work will be $1,500 and $1 additional for each 1,000 names. The work of compiling all the data, it is said, will take six or seven months.

## HEIFNER RETURNS FROM STATE DEMOCRATIC MEET

J. J. Heifner returned from St. Louis last evening where he had attended the meeting of the Democratic State Committee which went on record by a vote of 29 to 1 for the League of Nations and instructed Senator James A. Reed to vote for the covenant.

No primary election will be held to determine the sentiments of the Democrats of the state unless the authority of the State Committee to put the Democratic party on record in Missouri for the League of Nations is questioned in any county or city. In such city or county, the committee is requested to call a party convention to be held August 30, to obtain a direct expression of the sentiment of the voters therein on the League of Nations, and on the attitude of Senator Reed.

Mr. Heifner said there was no doubt how the people of Missouri stood on the League of Nations from the expressions made by Democrats from all over the state who attended the meeting.

### THE IDEAL WOMAN

The great Napoleon once said: "My ideal woman is not the beautiful featured society belle, who physician tries in vain to keep her in repair, but the matron who reaches middle age in complete preservation—that woman is rendered beautiful by perfect health." To attain such health in middle life a woman must guard against those ills which drag her down and produce nervousness, headache, backaches, sleeplessness and "the blues." The standard remedy for such conditions is Lydia E. Pinkham's Vegetable Compound, which for forty-five years has been restoring women to health and strength.—Adv.

## A. M. HYDE WILL NOT RUN

### Will Not Oppose Senator Spencer—"Liv" Morse Says Spencer Will Have Opposition

Kansas City, Aug. 13.—In answer to a letter from B. W. Welch of this city, Arthur M. Hyde of Trenton disclaims any desire to oppose Senator Spencer for the forthcoming senatorial nomination. Mr. Hyde frankly states that he might later become a candidate for governor, but pleads for harmony in the Republican ranks as a primary consideration in the party councils at this time.

St. Louis, Aug. 12.—"We are going to have a Republican candidate against Senator Spencer," Col. "Liv" Morse, Republican boss of the Third district, said here yesterday.

"Who will it be?" was asked.

"Oh, I don't know; but there will be one, all right," Morse replied.

Senator Spencer's friends, however, are not worried greatly over the threatened defection of Morse and Thomas R. Marks of Kansas City, who assert Spencer does not represent the Republicans of Missouri because he refuses to oppose the League of Nations in any form. Morse was asked if the anti-Spencer movement was gaining strength among the Republicans. The answer was in the affirmative, but without specifying where.

## COMMERCIAL CLUB PLAYS HOST TO THE SOLDIERS

The officers and enlisted men of the Twelfth Balloon Motor Convoy, which is now stationed at the fair grounds in the interest of recruiting work, were afforded some of the real hospitality of Maryville today when the Commercial Club sent out five gallons of ice cream to be served at the noon mess.

The delicacy was received with hearty appreciation by the men, and in true soldier fashion they showed it by telling of the treat to everyone they met.

## INQUEST IN THE MORNING

Coroner's Jury to Fix Blame For Howard P. Patterson's Death at 9 a. m. Thursday

Howard P. Patterson, 30 years old, alias Kid Allen, a concession man at the fair grounds, was found dead about midnight at the Central High School grounds with two .38 revolver wounds through his head. Ruby Blackford, 24 ,and Earl Rogers, 25, both of St. Joseph, also conected with concessions at the fair, are being held pending investigation. They were arrested at 7:30 this morning at the fair grounds by Sheriff Dowden after an investigation. Papers in the pocket of the dead man showed his home to be at Glasgow, Mo.

A concession man is also being held, Deputy Sheriff Gabe Purcell picking him up at the fair grounds this morning. Mr. Purcell heard this man and Patterson quarrelling last evening at the grounds and told him to move on. Sheriff Dowden was unable to give his name. This man said he knew nothing about the case.

The Blackford woman was taken to the Price & McNeal undertaking establishment this morning and after viewing the remains, stated to the police that she had never seen the dead man before. Rogers also professed that he was unacquainted with the man.

According to the information received by the police, Patterson and the Blackford woman had been seen together often at the fair grounds and other concession people at the grounds said that the dead man appeared to have a fear of a woman.

At the I. V. A. hotel where Patterson was staying while heer, it was said that he came to Maryville a week ago Saturday and remained over Sunday, when he returned to Malvern, Iowa. He came back to Maryville last Sunday night, depositing about $100 in bills with the clerk. While about the hotel he never spoke of his business or the woman, it is said, and appeared quiet.

During the investigation today Alfred P. Gsell, band leader, told the police that last Monday night while at the Fair, a man answering the description of Patterson approached him and in a confused and excited tone said, "She's the meanest woman in the world; I know she will try to kill me." Gsell stated that he had paid no attention to the man and that the latter went away.

The county authorities are of the opinion that Patterson was murdered and dismissed the suicide theory on account of the position of the two shot wounds and the fact that the gun was lying near his neck.

The murder took place about midnight last night and J. W. Smith, who, it is said, is a detective from Burlington Junction, had his attention attracted to the high school grounds by groans. He had Ed Wallace, who was passing the school grounds, go with him and investigate. Patterson was dead at the time Wallace arrived on the scene and at once communicated with Sheriff Dowden and Prosecuting Attorney McCaffrey. The dead man's body was brought to the McNeal & Price undertaking parlors.

The body was found about four feet north of the embankment at the school grounds on the north side.

Mrs. J. W. Nichols who with her husband has a concession at the fair, identified the man as Kid Allen,running a candy concession at the fair and had seen him yesterday with a bob-hair girl. From letters and telegrams found on the dead man, it was discovered his name was Howard Patterson, and he had a brother-in-law by the name of Dr. Temple, living at Glasgow, Mo. Dr. Temple was communicated with at once and will arrive in the city today.

Patterson had been staying at the I. V. A. hotel on the south side of the square. Last night about 11 o'clock he checked his grip at the hotel and said he was going back to the fair grounds.

S. D. Williams, who had a doll rack and perfume stand at the fair grounds, said he brought the girl, Ruby Blackford, and Jack Roberts, who it is thought is Earl Rogers, to the Moose Cafe about midnight last night. They had supper there and it is said the girl appeared to be very much excited and agitated and before finishing her supper, went to her room over the cafe and got her belongings and left in a car with Roberts or Rogers. Roberts had been staying at the Ernest Reese home on Depot street and took the Blackford girl there, where they stayed the rest of the night.

In questioning Ruby Blackford this morning, Prosecuting Attorney McCaffrey was unable to get any facts. She denied having the gun, denied ever seeing Allen, and said in tears she never saw the gun and did know Patterson. She was taken to the undertaking parlors and again said that she never saw him before. She appeared to be well collected and not very much excited.

Information had been secured by the county authorities that a girl with bob-hair had a gun yesterday and the Blackford girl was seen to have a gun of the description of the gun found near Patterson's body. She was identified this morning as the person having the gun yesterday, while another concession man at the fair said she was not the girl who had the gun.

It is said the father of the girl used to work in a blacksmith shop in Maryville a number of years.

Prosecuting Attorney McCaffrey received word this morning that the girl was well known in St. Joseph and had a police record in that city.

The girl and Earl Rogers will be held by the county authorities pending an investigation, and it is thought that the city authorities will prefer charges against them on a charge of adultery.

Patterson had $33 in his pockets. It is said that he had quite a roll of bills.

Coroner Frank C. Wallis said that the inquest would be held tomorrow morning at 9 o'clock. The people being held will be detained until after the inquest.

It is said that Patterson had served a term in the federal penitentiary at Leavenworth on a charge of white slavery.

The county authorities were still at sea this afternoon on the case and practically had no positive evidence as to who the party or parties are that committed the crime.

Since the tragedy, Mayor W. O. Garrett has commenced a clean-up campaign at the fair grounds and in the city of ridding the city of undesirable characters.

# GOOD RACE CARD FIRST BIG DAY

RACES ARE FAST FOR SLOW TRACK AND LATE START

## ROBERT CONNER HONORED

Tanner Miller, Conner's Favorite Pacemaker, Takes First in 2:15 Pace—Free Attractions Please

Only a small crowd, due to the inclemency of the weather ,saw the afternoon races and free attractions yesterday afternoon. Of the free attractions the Flying Wards seemed to be the best liked, although Margaret Hill's Society Circus is a great attraction. The Bassitt & Bailey act is a stellar attraction in every way. The free attractions this year met with great approval and are the best seen here in years.

Immediately preceding the races James H. Stokes, presiding judge and starter, asked everyone to arise and remain standing for one minute in honor of the beloved departed horseman, Robert Connor of Maitland, who died a few weeks ago. Mr. Stokes paid a great tribute to Robert Conner, saying that one of the best known and truest sportsmen of the race track followers in this part of the country had been lost in the person of the deceased.

Four races were run yesterday afternoon on a slow track. The races were not called until after 3 o'clock because of the condition of the track, and it was 7 o'clock before they were concluded. Everything considered the races yesterday were good and with the track worked up in fine condition for today some good time on the track is certain.

The first event on the speed card was a 2:15 pace, with five starters, which were: Harry E, owned by G. Neff and driven by him; Shadyline, owned by W. G. Sears and driven by Jackson; Tannermiller, owned by L. M. Miller and driven by Hocker; Dan Gentry, owned by F. S. Diser and driven by Brown; and Jessie Direct, owned by G. E. Linder and driven by Irvin. Tannermiller, after a bad start in the first two heats took the last three heats and the race. Harry E took one first and four seconds and second money. Jessie Direct took a first, a second and three thirds and third money. Shadyline was withdrawn after the first heat and Dan Gentry was flagged out the first heat. The time of the heats were: 2:17¼; 2:18; 2:18¼; 2:19; 2:20.

The second event and the first running race was a five-eighths mile dash. Good Enough, owned by F. M. McClain and ridden by Whittington, took first; Satsuma Belle, owned by F. Stites and ridden by Cummins; Crucible, owned by G. Neff and ridden by J. Reese; Unconcern, owned by D. Brandt and ridden by O'Brien; and Joe Nugent, owned by J. Hubbard and ridden by Wheatly, finishing in order. The time was 1:03½.

The third number on the race card was a three-fourths mile dash. Gordon Roberts, M. Goodpasture (Cummins); Adeline L, G. Neff (J. Reese); Hattie Will Do, F. McClain (Whittington); Watch-Your-Step, D. Brandt (O'Brien; and Shrewsbury, J. Bracken (Wheaton), finished in order named. The time was 1:17, which was good time for a slow track.

The last running race of the afternoon was a one-half mile dash. Jack Hayes, the much- touted fast horse, finished first ahead of the field, with Lady Hester, F. McClain (Whittington); Joe Morris, G. Neff (J. Reese); and Barney McCoy, P. Wilson (Wilson), taking places in order named. Jack Hays is the property of L. Lierson, and has for a rider Mazou.

The officials for yesterday's races were: James H. Stokes, presiding judge and starter; L. E. Carpenter, associate judge; F. A. Ramey, associate judge; and W. G. Sawyers, Arthur McKnight and G. E. Etschman, timers.

Last night's feature event was the five-gait saddle horse judging event, which took place directly before the grand stand. A field of six horses were entered and for an hour and a half were exhibited before Judge Hancey. The final awards were made as follows: Marion Bleese, owned by J. H. Topp of St. Joseph, first; Golden Curr, Dr. W. A. Stiner, St. Louis, second; Major Wing, Dr. W. A. Stiner, St. Louis, third.

Following the horse judging event, the big audience was entertained by Margaret Hill's Society Circus and the Flying Wards.

Judge Hancey estimated that 1,500 people attended the Fair yesterday afternoon, while the gate showed 2,000 people on the grounds during the evening. Judge Hancey stated that he was very well pleased with the interest which the Fair is attracting this year. "We have had the best opening crowds this year since the Fair has been put on here," he said, "and indications are that the show this year is to surpass all previous ones."

## FARMER UNABLE TO HELP HIS BOYS

Kettner Was So Rundown He Couldn't Work—Gains 28 Pounds on Tanlac.

"You can't blame me for talking so much about Tanlac, for it has not only added twenty-eight pounds to my weight, but has completely overcome my troubles," said O. A. Kettner, a well known and prosperous farmer who lives on Route No. 1, Downs, Ill., the other day.

"I just thought I was doomed to suffer the rest of my days," continued Mr. Kettner, "and I guess that would have been the case if I had not gotten hold of this Tanlac. You see, I had been in bad health for about twelve years, and I failed completely to find anything that would do me any good. My stomach was in such bad condition that I would just suffer agonies every time I ate anything. My food would sour on my stomach and I would be all bloated up with gas for hours at a time, My kidneys were out of order all the time, too, and I would have the worst sort of pains in the small of my back. Then rheumatism struck me, and from that time on I had all the suffering that was coming to me. Why, I got so bad off that I couldn't even help the boys do little jobs around the place. I just went from bad to worse, and I finally made up my mind that I would have to give up trying to run my farm.

"Well, I heard about this Tanlac then, and I bought a couple of bottles, and began taking it. Now, the first two bottles didn't seem to do me any good at all, and I was about ready to drop Tanlac, but I figured that my case was one of long standing, and that I hadn't given the medicine a good showing so I bought one more bottle. That third bottle hit the spot, and in little or no time I was picking up right along and from that time on I improved as fast as any man you ever saw and I am as hale and hearty as I ever was in my life. I never have a sign of rheumatism now, and my kidneys seem to be in first class condition. I don't believe I ever had a better appetite, and I get away with three square meals every day, and I am never bothered with indigestion or any other kind of stomach troubles now. I can now get out in the field and do as much work in a day as any man on my farm. Yes sir, Tanlac was a God-send to me, and I just feel like I want the whole world to know about this wonderful medicine."

"Tanlac is sold in Maryville by Koch Pharmacy, in Conception Junction by A. M. Colly, in Pickering by H. M. Lincoln, in Burlington Junction by Carter Pharmacy, in Barnard by Bear Drug Co., in Elmo by King Drug Co., in Clearmont by Dr. W. H. Wiley, in Ravenwood by C. A. Shunk, in Arkoe by Rufus R. Smith, and in Hopkins by Hopkins Drug Co."

The Dr. Rea Ranch, in the northwest corner of Stanton County, Kansas, is to be sold in 160, 320 and 640 acre farms to the highest bidder on Sept. 9th, 10th and 11th.

This land is deep, rich, black virgin soil; no sand; level or slightly rolling; plenty of good soft water. Wheat in this section produced twenty to thirty bushels per acre this year. This land has been owned by Dr. Rea for the past twenty years and the increased value of the land for farming purposes is the reason it is being offered for sale.

Take a trip with us to this sale. Address or call on G. B. Holmes Real Estate Co., Maryville, Mo., over Nodaway Valley Bank.

## Where Can I Find Relief From Itching, Terrifying Eczema?

**Question on Lips of Afflicted.**

There is a harrassing discomfort caused by Eczema that almost becomes a torture. The itching is almost unbearable, and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only allay the pain temporarily. The disease can only be reached by going deep down to its source, which is in the blood, the disease being caused by an infection which breaks out through the skin. That is why the most satisfactory treatment for all so-called skin diseases is S. S. S., which acts by cleansing the blood. Get a bottle to-day, and you will see results from the right treatment. Mrs. Lane comes to the Remus store with much valuable experience in ladies styles as well as general merchandising ability, and she is capable of giving our customers the best kind of service in fitting, selection, alteration, etc., in the ready-to-wear department as well as in the corset department.

We have a large and growing corset business which we can only attribute to the popularity of the

which embodies the most desirable features of perfect form fitting, correction and aid to health as well as style—and to the service we have given our customers in this department.

Mrs. Lane will take pleasure in meeting the ladies of Maryville and Nodaway County, and will give them her most careful attention whenever her services are desired.

Mrs. Sue Lane of Maitland is a new employe of the Remus Mercantile Company, having charge of the ready-to-wear department. She succeeds Mrs. D. E. McDonald, who, with Mr. McDonald, will leave in a few weeks for Philadelphia, Pa., to spend next winter. Mrs. Lane and daughter, Lucile, have taken an apartment in the Borrusch flats.

**Communication.**

Editor Democrat-Forum:

Dear Sir—I wish to correct the impression you left in yesterday's issue of the Democrat-Forum that the State Democratic Committee had called a state primary election to vote upon the League of Nations, Saturday, August 30. If you will read the resolutions adopted by the committee, also Senator James A. Reed's letter challenging the authority of the state committee to speak for the Democratic voters of the state, you will find that the resolution provides that in case the friends of Senator Reed do not believe that the action of the state committee in endorsing the League of Nations and President Woodrow Wilson was representative of the majority of the Democratic voters of the state, they could call a primary election, through the regular committee of the party, and if the action of the state committee was repudiated by a majority of the counties and precincts in the state then the committee would call a convention of the entire state to let the people speak for themselves.

There will no primary election nor state convention unless the followers of Senator Reed call one.

Yours truly,
J. J. HEIFNER.

P. S.—The final vote stood on the resolution 30 for to 1 against and 1 passed. Mr. O'Malley sitting on a proxy of Tom Pendergrast of Kansas City, voted No. Joe Shannon, another committeeman from Kansas City, passed. Every congressional district in the state voted unanimously for it except the Fifth, which includes Kansas City and Jackson county, and the vote of this district stoodl against and 1 passed.

**IS CENSUS SUPERVISOR**

**Joshua A. Graham of St. Joseph Will Have Charge of Census In This District**

Joshua A. Graham of St. Joseph was appointed census supervisor for the Fourth congressional district. The appointment was made through the recommendation of Congressman Booher.

The work of enumerating the names will begin the first week in January, and is expected to require fifteen or twenty days. Everything will be in readiness and the force will be lined up so that when the time arrives for securing and compiling names the actual work may be completed promptly. Graham will have charge of the six counties in the Fourth district. His remuneration for the work will be $1,500 and $1 additional for each 1,000 names. The work of compiling all the data, it is said, will take six or seven months.

## HEIFNER RETURNS FROM STATE DEMOCRATIC MEET

J. J. Heifner returned from St. Louis last evening where he had attended the meeting of the Democratic State Committee which went on record by a vote of 29 to 1 for the League of Nations and instructed Senator James A. Reed to vote for the covenant.

No primary election will be held to determine the sentiments of the Democrats of the state unless the authority of the State Committee to put the Democratic party on record in Missouri for the League of Nations is questioned in any county or city. In such city or county, the committee is requested to call a party convention to be held August 30, to obtain a direct expression of the sentiment of the voters therein on the League of Nations, and on the attitude of Senator Reed.

Mr. Heifner said there was no doubt how the people of Missouri stood on the League of Nations from the expressions made by Democrats from all over the state who attended the meeting.

THE IDEAL WOMAN

The great Napoleon once said: "My ideal woman is not the beautiful featured society belle, who physician tries in vain to keep her in repair, but the matron who reaches middle age in complete preservation—that woman is rendered beautiful by perfect health." To attain such health in middle life a woman must guard against those ills which drag her down and produce nervousness, headache, backaches, sleeplessness and "the blues." The standard remedy for such conditions is Lydia E. Pinkham's Vegetable Compound, which for forty-five years has been restoring women to health and strength.—Adv.

## REPORT TWO CARS STOLEN LAST NIGHT

The Ford car of Charles Alexander was stolen some time after midnight from his garage at the Glover & Alexander mill. It was practically a new car, having been purchased by Mr. Alexander last spring. There are no clues.

Deputy Sheriff Gabe Purcell of Conception Junction was in Maryville today and reported that Tom Merrigan, Jr., had his Ford car stolen last night at Conception Junction while attending the Leonard Players tent show.

## A. M. HYDE WILL NOT RUN

**Will Not Oppose Senator Spencer—"Liv" Morse Says Spencer Will Have Opposition**

Kansas City, Aug. 13.—In answer to a letter from B. W. Welch of this city, Arthur M. Hyde of Trenton disclaims any desire to oppose Senator Spencer for the forthcoming senatorial nomination. Mr. Hyde frankly states that he might later become a candidate for governor, but pleads for harmony in the Republican ranks as a primary consideration in the party councils at this time.

St. Louis, Aug. 12.—"We are going to have a Republican candidate against Senator Spencer," Col. "Liv" Morse, Republican boss of the Third district, said here yesterday.

"Who will it be?" was asked.

"Oh, I don't know; but there will be one, all right," Morse replied.

Senator Spencer's friends, however, are not worried greatly over the threatened defection of Morse and Thomas R. Marks of Kansas City, who assert Spencer does not represent the Republicans of Missouri because he refuses to oppose the League of Nations in any form. Morse was asked if the anti-Spencer movement was gaining strength among the Republicans. The answer was in the affirmative, but without specifying where.

## COMMERCIAL CLUB PLAYS HOST TO THE SOLDIERS

The officers and enlisted men of the Twelfth Balloon Motor Convoy, which is now stationed at the fair grounds in the interest of recruiting work, were afforded some of the real hospitality of Maryville today when the Commercial Club sent out five gallons of ice cream to be served at the noon mess.

The delicacy was received with hearty appreciation by the men, and in true soldier fashion they showed it by telling of the treat to everyone they met.

Miss Blanche Alexander of Orrsburg is visiting Miss Lucile Wright and attending the fair.
